

JULY and AUGUST 2 0 1 1

SCURF

PRESIDENT'S MESSAGE

Hello Again Bromeliad Lovers,

I hope you all are staying cool in this heat! Please take note that this will be your July and August newsletter - Marcia is going on a well deserved vacation so please remember this is a combo!

I would like to thank Tom Wolfe for our program last month. This month our program is **Dr Terri Bert**. She is always extremely lively and always has a great program.

The one she will be doing is new - so don't miss it. She also will be bringing plants to sell which are usually on the rare side, good collectable stuff.

August will be our potluck "Summer Social". We are working on also having a guest speaker, just waiting on a confirmation.

Please read the "Library" news flash - how many of you would like to order Kramer's new book?? If you do, please bring a check made out to BSBC for \$18.00. Thanks!!

We are also working on some garden tours in the month of November, if any of you have suggestions on gardens we should visit please tell Nancy Long, our VP.

See you at the next meeting and PLEASE REMEMBER this is a combo Scurf. **You will not be receiving an August Scurf** so please mark your calendars accordingly.

Stay Cool,
Colleen

JULY MEETING

Monday, July 18.2011

Speaker

Dr. Terrie Bert

Dr. Terrie Bert is a longstanding member of the Sarasota Bromeliad Society (SBS) and the Caloosahatchee Bromeliad Society and has held multiple offices in the SBS. She also served the Florida Council of Bromeliad Societies (FCBS) as a representative and officer for eight years. For the Bromeliad Society International, she has been a Florida Director and chaired several international committees. She currently is Librarian, Curator of the Wally Berg Award of Excellence, and an internationally accredited Master Judge. She's given over 100 presentations on bromeliads to numerous U.S. and international bromeliad societies and other groups. She has authored articles for the BSI Journal and the FCBS newsletter. She cultivates approximately 2,000 different bromeliads in 24 genera. She's won multiple top awards in local bromeliad shows and BSI world conferences and is a volunteer for and contributor to the BSI Bromeliad Identification Center.

"Best Buy Bromeliads"

After selling thousands of plants over the past 20+ years, I've observed the buying practices of many people and interacted with them to find the best plants for them. I've also seen people pass over great bargains and plants many times. Watching people shop for bromeliads and buying bromeliads myself has given me ideas about how a bromelophile can find the best bromeliads for his or her desires and needs, for the best prices. I'd like to share those ideas; so, in a "live" presentation (no PowerPoint), I'll share my thoughts about buying bromeliads and then open the program up to the audience to hear their ideas and questions. This program will be particularly helpful to newer bromeliad society members and, being interactive, should be fun!

Happy Birthday to you all !!

HARRIET'S HOOTS

Another meeting at Deicke and we are going strong - - I love it that we have so much room to roam around and mingle. It's almost like a cocktail party (without the wine - lol) and the assortment of foods is always a treat. Our contributions for our June meeting was great as always and thanks go out to the following members:

- Elise Johnson for her great brownies.
- Sara Donayre brought a wonderful Blueberry Custard Cake.
- Nancy Long tempted us with her Tuna Dip.
- Patty Zicarelli brought great Guava.
- Linda and Ron Wiringer had scrumptious cookies - choc chip and oatmeal.
- Ann Schandelmayer baked a delicious Sour Cream Coconut Cake.
- Colleen Hendrix brought tons of various cookies.

If I have missed anyone, please forgive me and I do thank you ALL !!!!

Again, my calls to the July birthday people will be coming soon, so when you hear your phone go ring - a - ding - ding - please pick-up so that your hostess (that would be me) can see what delicious treats you will be bringing. Of course if it is not your birthday, please don't despair as we will gladly accept any and all donations as our club members love to munch away and everyone is so generous with their contributions.

See you all at the July meeting - -
Warmest Regards - - Harriet

"Diaper Your Plants"

Please "diaper" your plants that you bring in by using a newspaper sleeve or a plastic bag to cover the bottom of the plant.

We want to make a good impression and keep our new meeting place as clean as when we got there.

THANK YOU!

"How your Garden Grows"

Please email Bill at marbilld@mac.com if you would like to be considered to have your garden photographed. We take 'em any way we can get 'em! - small scapes to larger scapes!

Don't be shy, cause your plants love the camera!
