## SCURF

### PRESIDENT'S MESSAGE

Happy Fall Greetings,

Well, I hope you all have gotten a chance to get outside and enjoy your gardens and this beautiful weather.

I get so inspired this time of year.....

Let me start by saying that we have secured Volunteer Park for our next show and sale March 26th and 27th of 2011.

I will be passing around a sign- up sheet for different positions that will need to be filled, so mark your calendars. We need a lot of help; this is a group effort and I would love to see some of our newer members get involved and learn how to put on a judged show. As some of you know, it was a very successful event in 2009 and we are working hard to make sure it is bigger and just as successful.

I would like to thank Nancy Long (one of our directors on the board) for taking on the responsibility of "Publicity chair". She will be notifying the papers each month about our general meetings and doing all the marketing and publicity for "Garden Fest 2011". If you have a business or office that we can put a poster in or flyers, please get with me or Nancy.

Next, the Holiday Party - we need your checks please!!! We should have a lot of fun, there will be 4 raffle items that are rare and beautiful. (We will start selling raffle tickets at this meeting.) You must be at the party to claim your raffle prize. We will have our plant gift exchange, great food, music, cash bar - so please come and bring your family or invite a friend. Remember you don't have to be a member to come, however if you want to participate in the gift exchange you must bring a plant!!!! Tickets are \$30.00 unless you brought 5 plants to the auction then your ticket is \$28.00. The time is 11:30 to 3:30 at the Jacaranda Golf and Country Club.

Directions to Jacaranda: from Broward & University go west on Broward past Pine Island. At the next traffic light (Country Club Dr.) turn LEFT and continue to Jacaranda. We will be in the main dining room.

See you soon and happy gardening!!

Colleen

He taught Botany at a community college in Virginia for 1 1/2 years before taking a position at Wilson Botanical Gardens in Costa Rica. After a 3 year stay at Wilson Botanical Gardens, Dr. McAlpin moved on to the New York Botanical Gardens, where he remained for eight years. He subsequently took a position as Director of Horticulture at Selby Botanical Gardens, where he remained for three years. Dr. McAlpin taught Botany and Horticulture at Miami-Dade Community College for eighteen years before retiring.
