

APRIL 2011

SCURF

PRESIDENT'S MESSAGE

Hey Garden Enthusiast and Bromeliad Lovers, WOW, what a great show and garden event! I want to thank each one of you who helped me put on Garden Fest 2011! It was quite an undertaking and WE DID IT!

Some of you were working on this with me since November of 2010 and I am so grateful that we have such a talented group of people that gave their time. Thank you from the volunteers to the vendors, couldn't have done it without you.

So, mark your calendars for March 24th and 25th 2012. Garden Fest 2012 will soon be around the corner (just the event, NOT the judged show). This will now be a yearly event with the Plantation Woman's Club,

so if any of you know of people that would like to be vendors or if you have any creative ideas please pass them my way. I would also like to mention that this was the first time we have had such a variety of members enter plants - usually it is the same members but this time we had many new people enter and WIN. Two of them that I know of got on the head table - congrats!!!

Please don't miss this meeting, not only are we having a program that we have never had before but it is election time..... we will be electing our new Board and they will begin in May. Remember if you would like to nominate someone other than who is listed on the slate, you must speak to that person first to get their permission and then you may nominate them when that position is called. We will then vote by ballot (on that particular position) - if no one is nominated from the floor then the slate will be accepted as read and that will be your new board.

Gayle Spinnel-Gellers has created a "movie" of Garden Fest, she is in the process of creating another one and also a poster. Matt will be putting this on the website at a later date. If you have any pictures that you took you can email them to her at g.spinell-gellers@browardschools.com or yrofiger@aol.com.

See you Monday, congrats to all!

Colleen

Don't forget to pay your dues!!!

The Sales Table and Raffle Table will be OPEN

Welcome - Charlie Birdsong

Master BSI Judge

Charlie is a long time collector and is going to present a program on
HOHENBERGIA'S.

This is an intriguing Genus which is very variable in nature.

Charlie is from Baton Rouge, Louisiana. Charlie was born into a family of tropical plant devotees. He followed his plantsman father's interest in Orchids and Bromeliads. After obtaining his M.A. from LSU he continued to avidly grow Bromeliads and was one of the earlier Master Judges. He is currently working with the Judges Certification Committee and Betty Ann Prevatt to update the Judges Handbook.

Please bring some of your colorful plants to the Show and Tell table to show Charlie that we too can grow colorful Bromeliads. If you found something special from our Garden Fest sales area during the show please bring them along. If you were on the Head Table at the show you may want to bring the plant so all can admire.
