PRESIDENT'S MESSAGE

Hi Bromeliad Fans,

Can you feel the change in the air? It has been beautiful the past couple of days which means getting out and get those broms pupped and cleaned.

I wanted to thank everyone who brought food last month for the potluck and also thank those who helped coordinate, decorate, and setup the

summer social.

The program for this month is going to be great - Dave Johnston spoke to our society many years ago and he always has great info. He has beautiful plants as well that he will be bringing to sell.

Nancy is working on garden tours, if you know of a garden that we should tour, please tell me or Nancy - thanks.

Also, Don't forget about the Extravaganza in Daytona Beach.

PLEASE BRING YOUR BLOOMING PLANTS FOR THE SHOW AND TELL TABLE

Harriet's Hoots:

The July meeting was fun as always and the club was making plans for our Pot-Luck Dinner that was going to take place at our August meeting. I was not able to attend as Larry and I were going to be on vacation and although our meetings are great fun and we love attending them, going to Boston and driving up the coast to New Hampshire, Maine and Canada seemed like such a fun idea. By the way do you know what a Puffin is? Larry and I visited a Puffin Island Sanctuary where 5,000 Puffins were currently nesting before their return journey to the Arctic Ocean.

I'm sure that the August Pot-Luck Dinner was a success and I would like to thank Cori Glick and Carol Mordas for taking over my duties while I was away. I'm positive that they did a super job. I would also like to thank the following members who contributed to our table at the July meeting - - -

Marcia David - Great brownies and Candy

Colleen Hendrix - Cookies that were delicious

Nancy Long - Scrumptious Coconut Cake

Shirley Konefal - A super Pasta Vegetable Dish

Jim Kerns - Lots of Tuna and Pimento Sandwiches that were oh so good

Becky Blackwood - A wonderful Shrimp Salad Platter with Potatoes

I will be calling the September Birthday members to remind them to bring something for our table at the next meeting. Of course we welcome anyone who would like to contribute. I see a trend of more healthy choices at our table. Let's hope that trend continues.

See you all at the next meeting

Regards, Harriet
