The Presidents Message

Hi Bromeliad Fans,

Another year has passed we wish everyone a healthy and prosperous new year. The holiday party was a great time for all who attended and everyone left with a plant and a smile. I was speaking to one of the waitresses who commented on how beautiful the plants were and how they had never hosted a party quite like ours. Even the brown bag plant exchange went well. The rules were provided and misunderstandings were eliminated.

This is the time of year to clean out the bromeliad beds, do some puping, removing dead leaves, laying some fresh mulch and in general...get your yards and shade houses in order. This wonderful cool weather lends itself to outside work.

I want to remind everyone that our meeting this month is on Wednesday January 19th and not on Monday due to Martin Luther King Day. Please save yourself a trip to find the door locked on Monday. See you at the meeting.

Tim

Holiday Party at the Sea Watch Restaurant

What a great time!

Members anxiously waiting for their number to be called to pick a bag from the table or politely steal a plant from another member!

Tim and I took a little trip to the west coast over the holidays, which led us to Tropiflora. Dennis was hit by hurricane Charlie and a Christmas eve storm that had up to 60mph winds.

Dennis we send you a pot of good luck in getting your nursery repaired.

Of course, Dennis is OPEN always ready for business.

Most of the shade houses are up and running and looking beautiful.

Reminders

January Birthdays bring goodies!
